Climate Action Network Europe is looking for an Energy Scenarios Project Manager

Climate Action Network (CAN Europe) recognised as Europe's leading network working on climate and energy issues, is currently seeking a highly motivated, dynamic and results-driven Energy Scenarios Project Manager to join our team in Brussels.

The successful candidate will contribute to the collaborative development of a Paris Agreement compatible energy scenario supported by both the European Network of Transmission System Operators for Electricity (ENTSO-E) and Gas (ENTSO-G) and European NGOs. He or she will thereby work closely together with other policy coordinators in the CAN Europe team, and with experts in the broad CAN Network all over Europe.

Required qualifications
- Minimum 3 years relevant professional experience;
- Knowledge of energy sector policies as well as developments regarding renewables, energy savings and greenhouse gas emissions in the energy sector;
- Understanding of scenario development and modelling in the energy and climate field;
- Experience of working with NGOs, preferably in a network environment;
- Excellent interpersonal and team-working skills, time management, flexibility, and reliability;
- Ability to produce results according to schedule and respecting deadlines;
- Fluent written and spoken English; excellent communication skills;
- Ability to work on multiple issues in parallel.

Preferred/desirable qualifications
- Experience with EU climate and energy policy development;
- Experience in fundraising and reporting would be an asset;
- Experience in writing research papers, reports.

Main duties will include
- Work as an interface between the NGO network and the ENTSOs;
- Support the development of Paris compatible narrative scenarios and support their transformation into quantitative scenarios;
- Support NGOs to increase their knowledge and engagement into energy scenario and grid development issues.

This position is based in the CAN Europe secretariat, which houses our team of 20 staff members, in Mundo-B, the sustainable NGO office space near the St. Boniface neighbourhood of Brussels.

This 2 years employee contract position can be full time or 4/5.

To apply, please send a letter of motivation and CV to jobs@caneurope.org with Energy Scenarios Project Manager as subject line.
The letter of motivation should clearly demonstrate why you want the job, stating why you wish to work for a climate NGO and how your skills and experience are relevant to the job requirements detailed above.

Closing date for applications: Thursday 25th October at noon.
First round of Interviews preferably on the 1st week of November 2018
Second round of Interviews preferably the 2nd week of November 2018
Expected start date: as soon as possible thereafter
